Your life is a love song Tour

Come and bring a friend that may not normally attend a typical church service as they experience a true life presentation full of comedy and laughs about a guy who used love songs from the 80’s to gain acceptance by his friends. Fun for the whole family!

date	location	time	WARNING: This presentation could cause curvature of the mouth region spiraling upward as if to form a smile. If this is abnormal for you, please consult your neighbor as laughing is a side effect and can be contagious!
